
Welcome to the Aion Bots group

Feb 23, 2009 The problem is that you are not able to exit from the macro tool. Demo for using macro for crafting on Aion Beta 3 by AionX5. Slave2Aion is an Aion AutoCraft Tool that Automates crafting for aion. This allows you to set a parameter that defines which new recipes you want to be crafted and what formula you want for the items you have. Mar 2, 2009 The save file date is September 16, 2005, however when I do a search on the aion.net I get no results. At this stage we only accept sources from aion-scene, this includes toonscripts, CG, "edits" made to the game, whatever you like. The bot checks if you are sitting on a blue bubble on the ground that is serving as a portal to a remote area in the game. You need a permission from the remote area's content creator (me) to port to it. This has been tested to work on Aion 1.8.8, Aion 1.9 and Aion 1.10. May 26, 2009 Do you have a personal favorite character to play? Talk about them in chat channels in-game. Do so again and again, posting links to your conversation as you do so on the Aion Wiki. We will list those in the form of Aion Wiki listing, and list the most popular characters and their respective links. As always, questions, comments, and other Aion related info can be posted on the Aion forum at 'Beware of God'.
