### **Elden Ring Features Key:**

**Item Crafting & Combination System** In addition to equipping items that have been crafted, upgrade them with Ether and combine them to craft new items of superior quality. Participating in other people's item crafting and combining processes offers a welcome bonus to further improve your item.

**Find, Equip and Customize as You Wish** Item crafting, etc. are all accomplished only in certain areas. Instead of being confined to a specific area, you can freely explore the game world and carry around the items that you would like to craft, equip or combine.

**Combat Experience Gained with the Taunting of Enemies** In addition to having a direct impact on enemy attributes, achievements and equipment, performing taunts on enemy units also causes your own attributes to be increased.

**An Epic Combat Variety in the Lands Between** In the game's field of vision and the surrounding areas, identify the actions of enemies before they act, set your strategies with the help of a detailed card, deploy your taunted units, and demolish them all while being in your element. Enjoy a wide variety of combat where the outcomes can be different depending on which of your characters performs actions.

**Completion of Other Players' Quests** Other players can share their achievements with you to get more enjoyment. When your achievements match up to another player's, they will exchange items or money – your extra rewards for the journey. Don't forget to accept requests from other players to provide them with valuable items.

**Start a New Advancement while Exploring** During your long hunting trips, even if your experience level is low, you will be able to advance to a higher level. The exploration route will change depending on the item that you equip, and you can progress as you please.

**Epic Boss Battles** Battle against the giant monsters, gigantic ferocious beasts, and other powerful bosses – the battle that takes a world, a revolution, and your life... THIS is the end, you say?

You're simply humans in this world, so you can experience the thrills and excitement of being on the brink of annihilation... **LEVEL UP & Be Led by Grace** Each time you are on a quest, you will receive an item to Level up.

■ Features: • Our RPG With a Unique Fantasy System In the world of Tarnished, a land where the Gods once walked, humankind relied only on the power of the Gods; after the Gods disappeared, it was left to human will to prosper in the world. Over time, a new ruling body – the Elden Ring – has emerged. The world is now divided into a variety of areas, each ruled by the king/queen of the area, each with its own set of unique laws and traditions. With the Elden Ring as a unified force, the residents of the area are free from external interference, maintaining a pure and beautiful society. Tarnished is an action RPG with a unique fantasy system, where players are allowed to choose their own path and shape the world according to their own thoughts. Their journey begins when a spirit of light appears in their world, and finally, players are allowed to call upon this spirit's power to change the world. What sort of adventure await you? RPG that explores the depth of a Fantasy World Our fantasy system is a unique system that combines elements of popular action RPGs with the unique fantasy elements of Japanese RPG, known for its rich story lines and grand

artistic representation. **Storyline** The world of Tarnished is divided into six areas, each with its own laws and culture, and populated by a variety of unique races. Players will undergo challenges and choose their own path, where they can freely make choices that change the course of the story and shape the game. As the story unfolds, players will grow in relationship with each other as well as the spirit that will take control of their body. The mood and tone of the game changes depending on the decisions made by the player, as the story progress.

**Unique Fantasy System** Players become a party of adventurers, and follow their own path across the different areas of Tarnished. Unlike other RPGs that allow the player to freely create their own character, Tarnished players are given a pre-created character and limited in their character customization, but enjoy a great sense of freedom by exploring new routes and skill combinations as they go on their adventure.

**Tactical Battle System** Players take on enemies from a first-person perspective, and wield a range of class-based weapons and magic. Equipping the right kind of weapon and magic will make the battle more effective,
