Reflecting the fluid motion of players on the pitch, more precise player animations enhance the experience for both players and fans. Dribble mechanics have been added to pick and pass, and more control and precision is added when players are in tight situations. FIFA 22 also introduces the new and improved Team of the Week system, allowing fans to customise their teams before each game and stay on top of the action in each week's fixtures. FIFA 22 is powered by Frostbite to deliver a unique football experience, as players and spectators will never experience off-field gameplay before in FIFA. Additional match-day features include atmospherics, tifo and the return of the iconic FIFA Ultimate Team Seasons. More changes are coming to Ultimate Team as well, including improvements to selling prices and we will have more information on this in the future. Happy Christmas FIFA fans, we hope that you're all looking forward to a great year ahead and have a very merry Christmas. See you in 2017. 1.
