Contact Information Twitter: @Nyanco\_Dream Discord: @Nyanco\_Dream Thank you! [Daisuke] is the protagonist of a light novel series called 'This is my first time,' in which some situations happen to the protagonist and he reflects on them. In the latest web novel, it's been a year since the last time he got together with his childhood friend. It's probably been a year since he's made a decision. With this in mind, it seems that the protagonist is thinking about the reason why he is looking forward to his friend's visit next weekend, thinking of himself for the first time in quite a while. He is opening himself up to a world where his own past has been erased. Touhou Project is a series of action role-playing games with RPG

elements. The distinctive visual style in these games, which combines the dream-like art of the moe girls with the various uses of anime, is something which inspired Nyanco Dream ~ 〇〇〇〇〇 ~ 〇〇〇〇〇. You can read more details at the official site below! The Tsubasa Squad, known as the Tsubasas, are a group of Kansai women who appear in the Touhou Project series. They mostly perform the role of playing the partners of the main protagonist. 'Nyanco Dream' is a series of Touhou Project spinoff story novels (it shares the same author as 'Touhou Project Gensokyo' and 'The nocturne of the tylwings'), and 'Nyanco Dream' is the first novel. It tells of a young man named Houtarou Mamiya, who is enrolled in Akihabara High School and lives with his childhood friend Nii-chan (who has been dating him since the 1st year). One day, Nii-chan comes back from the countryside with a snake in her arm. After battling together to get rid of the snake, they realize that it is the sign of the great good fortune. They spend the rest of the day talking about the meaning of the snake. The story follows Houtarou and Nii-chan as they make a decision based on the great fortune that they have gained together. They

### **The Wastes**

When I was young I dream of Wandering about the world in the vast unknown wilderness. I was tired of living in a daily life surrounding by the suffocation from other people. As a child I was used to going to the "herb heaven" or "powder-flower area." But when my father died, I feel extremely sad and lonely. Even if I attend the funeral (My grandmother attended for me), I couldn't forget about my loneliness and sorrow. I also feel like wanting to look a far away place on earth.

But I'm not that good at using a computer since

Show more Reviews What People Are Saying "To call Tales of Maj'Eyal: Forbidden Cults a big expansion for the game would be a massive understatement. A deluge of new content could easily be one of the best updates to a game I've ever seen. Anyone who enjoys a good horror RPG will definitely want to check this one out." - Kieren: Gonna be playing this for a while. Currently playing: Fallout 4 and Fallout 76 "Forbidden Cults may very well be the best Tales of Maj'Eyal expansion to date. The balance between being a tactical RPG and Lovecraftian horror is perfect and the lore, writing, and lore is at a level that puts much better products to shame. If you're a fan of Lovecraft and fantasy in general, you owe it to yourself to check this one out. Just trust me on this one." - Ichabod: Tales of Maj'Eyal is the first game from Failbetter Games, creators of Sunless Skies and Railsea. Their latest game is an excellent single player RPG with great writing, a dynamic world, and a memorable cast of

characters. "The expansion opens up to give you a plethora of new content that you can explore at your own pace. If you're looking for a top down strategy game with a nice dose of lore, you'll definitely want to pick up this expansion. I'm happy to say that it's one of the best expansions I've played in a long time. This expansion didn't disappoint me at all. If you're looking for a strategy game that has good RPG elements, you should definitely consider Tales of Maj'Eyal: Forbidden Cults. You won't be disappointed." - CiderPinch:

Tales of Maj'Eyal is a strategy RPG with a twist. The story takes place in the same world as Sunless Skies and Railsea. Your actions and choices in the main game will affect the story and questline in this expansion. You'll have to balance your decisions between the many factions, solve puzzles, and even overcome harrowing challenges. You can even get married! "Forbidden Cults is easily the best expansion Tales of Maj'Eyal has released yet. The

I honestly can't tell you how much I used to love Thump Chop, and I'm hopeful that I can introduce the Chibis to a lot of people if this Kickstarter goes something like it has in the past. They're still a few days from their goal and I'm insanely excited that it could work out this time. I'm seriously hopeful about this one! The folks at Chi Blog chibis collectibles are working hard to create a "marbles" band, and Paul and Beat are not only going to make one yourself, but also line it up with all your favorite cartoon pandas and offer them for sale! I know I'll be having a Marbles edition myself when I finally receive it. I've used the first page of a Band-Aid box (seen on the screen to the right) in the past, I'm sure I'll be using another for Marbles too. The challenge was chosen by one of the Chibis themselves, Paul Abernathy and he hit a**

I figure some of you have always been looking for a specific punk-a-thon or really good Chibi collection ever since you saw mine, so why not try this? I'd love to see the pushback for who was able to smash through their bar on the biggest day to date! Speaking of tough games, is there anyone out there that still loves Jenga? I always loved Jenga even when they changed the rules to keep it never ending while providing an excuse to do absolutely nothing for an entire game. Well, now that's only half true, there are those 6 and 4 boxes out there for some reason, and all of us who have tried to master them know some truth to that. I think another new game would definitely help this old game get going again, but of course the idea of tearing the entire building apart makes me uneasy, I've always wanted to headbutt some peace out of that wood. I've**
