MYTHIC PICKER & CHOOSE ----- SNK vs. MARVELOUS KO THE MONTH OF MARTYRDOM 2015 - THE ELDEN RING ENDURES SNK HEROES New Characters: [Continued] RISE - Every single day, the Lands Between was expanding and moving forward. VAMPIRE "They've already come, and all that is left is to draw out our blood from us, just like we were sheep, and drink the blood!" AMAZING APOTHEOSIS "Man! It's a real miracle! Only the gods can be like this!" BONUS: Making the wheel roll even further, he forgot about the gods entirely, and took the godly powers from them and gave them to the humanity. BONUS: He was indeed a god of the first rank. There was not a thing in the world that he did not know, and for his creation, humanity, there were no better words. MEGA BONUS: The truth is this: even though he gave the godly powers and abilities to humans, he was still a god himself, and the title 'god' was not something that he had obtained from human gods. GHOST "I used to kill things one after another, and now I can't even remember what it was that I used to do." MORTAL SIN "An 'Apotheosis'! That's a real fine name!" BONUS: After making such a huge transformation, his appearance was no longer the same, and his true appearance was revealed. MEGA BONUS: Now that he was far removed from the mortal earth, he could really settle down; his hands and feet were no longer shaking, and he now had the sense to walk and talk like a human. But he could still use the power of the godly abilities, and of course, it was no different from if he had been a human. SALTIMAN "It's quite something. I've never heard of this." ORPHANAGE "The godly power that's been taken from us cannot be recovered." BOOTLEG ♦ bff6bb2d33
