### **Features Key:**

A linear adventure spawned from the epic: The Lands Between is all about a journey in which you play as a character who runs away from the government. However, you can freely choose the route you take as you make choices throughout the game.

Hand-Crafted Quality: The main system and story content of THE ELDEN RING were created by the development team of the Osaka-based independent game studio, Null Byte. They employed their extensive gaming experience, sketching skills, and passion for RPG games to create high-quality games that are none-the-less simple.

A faithfully brought to life fantasy epic: Rich in visual and aural cues, THE ELDEN RING

presents the cast of characters and other points of interest in vibrant, lush, and lifelike detail.

An Elden Lordship system that guarantees your character's prosperity: Acquiring the support of an audience, you will rise higher within the ranks, and can rank up to become an Elden Lord. As you lead your guild, you will participate in various castle wars and goods wars and eventually become the ruler of one of the islands.

A unique online action RPG: In addition to traditional multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

A cross-platform online battle game: The game runs on both Android and iOS devices. You can play on both iOS and Android devices and the online elements will seamlessly interlock.

## **KEY FEATURES:**

- An exciting adventure that you won't be able to stop playing: The Lands Between is constantly advancing. As the story progresses and new information is uncovered, you will continue to experience the thrill of a never-ending legend.
- An epic fantasy where choices determine what you become: Make choices throughout the game, and the consequences of your choices will reshape the future that awaits you.
- A diverse cast and characters: Your character's appearance, weapon, magic, and hairstyle are completely customizable. As you develop your character, your style will also develop: you will bring your actual and digital selves closer together.
- Highly advanced online action RPG: You must act in order to overcome challenge. As you progress, you will earn new opportunities to further

Gameplay (8/10) "Gameplay, which will challenge you throughout your journey in the Lands Between, is especially fun and enjoyable. You can freely move around the world and are able to freely change direction by physically rotating your device. The gimmick of the in-game camera that rotates 180 degrees is a nice touch, and added to the exploration aspect is the fact that players are allowed to take pictures with their devices. Your character's level is constantly adjusted in relation to the location and enemies you are able to handle, allowing you to continue in the same area at different levels. The draw distance is also long enough to represent the entire world, and you can interact with things by catching them with your magic. RPG gameplay is also very simple and intuitive, and there are many elements from classic RPGs like Final Fantasy and Dragon Quest. Particularly from Final Fantasy, it also resembles The Legend of Zelda." GAMEPLAY is 8/10  
Story (8/10) "Elements of both Japanese and Western traditions combine to offer a unique fantasy world, and the story of the Lands Between is vast. This story is told in fragments, and characters exchange their thoughts and stories as they travel. You're able to enjoy the story, seeking out new things as you make your way through the Lands Between. The story revolves around a young man named Gideon who wants to explore the world of the Lands Between. He and his companions, Vivienne, Leander, and Hector, get their hopes up when an unexpected force appears in the sky. They even meet the captain of a ship that looks like the one that passed by during the day. However, once they reach the ship, they are told that the ship is in ruins, and the captain is nowhere to be found. From that point on, things continue to get interesting. Gideon and his companions all meet up with a group of people who call themselves the Nereids and engage in a battle with the enemy forces. As the battle rages, one of the Nereids tells Gideon something about a God named Hildorm and his will to travel to the Lands Between, as well as the fate of an instrument that Hildorm used. After Gideon's companions leave, the Nereids ask him to tell them everything he knows about Hildorm and his instrument. Back at the ship, the captain wakes up, revealing the truth behind the events of the ship. However, it turns bff6bb2d33

1.0.0.2 11.07.2014 HAPPY CHRISTMAS!!! HAPPY CHRISTMAS!!! \*\* Notes \*\* This update is only for the Version 1.0.0.1 of the game. 1. Fixed collision and "walls" that were blocking the progress of vehicle (minibike) in some locations. 2. The "Father Father Father" quest was designed so that if you kill the NPC father, and change your action to the "Rebuild Storage" button (it's located outside the game window), you could travel to the father and still get the reward. (The quest was made to give you an incentive to go and find the NPC father, instead of continuing the quest from the beginning). \*\* Notes \*\* This update is only for the Version 1.0.0.1 of the game. 1.
